**ACTION TAKEN REPORT- 2018-2019
(BASED ON STUDENTS' FEEDBACK)**

1. Optimizing Class Allocation: As the new CBCS with Semester based Curriculum has been introduced for B.A./B.Sc. Honours and General Programme from the Academic Year 2018-2019 and for B.Com. Honours and General Programme from the Academic Year 2017-2018, efforts have been made to align class schedules with syllabus requirements, with additional classes provided to ensure comprehensive coverage.
2. Language Inclusivity: Teachers are encouraged to use both vernacular and English languages in teaching to accommodate students' linguistic diversity.
3. Evaluation Transparency: Students can review their answer copies to address concerns about evaluation fairness. Under the new CBCS with Semester system, Internal Assessment partly includes marks for the Attendance of students. Attendance of students is published time to time for transparency.
4. Experiential Learning: Field visits and excursions are facilitated to provide practical experiences, Projects, Add On courses, Certificate Courses involving Hands-on training and industrial visits are organized to blend theoretical knowledge with practical applications.
5. Curricular and Co-curricular Activities: Various events and activities are organized to foster holistic growth, with a focus on student participation and socialization.
6. Continuous Learning Opportunities: Workshops, student seminars and field visits are scheduled throughout the year for continuous learning and personal development.
7. Utilization of Educational Resources: Teachers are encouraged to leverage various resources and technologies to enhance teaching methods. More use of Library is encouraged for the students.
8. Career Counselling: Programs are organized to provide career guidance and practical training opportunities.
9. Skill Enhancement: Programs are designed to enhance students' practical skills alongside academic knowledge.
10. Student Mentoring: Mentor-mentee programs and continuous assessments are conducted to identify and address student weaknesses.
11. Extracurricular Integration: Extracurricular activities like participating in 'Youth Parliament', Science Fair, Sports, Gymnasium activities etc. are seamlessly integrated into the curriculum.
12. Soft skill Development: Collaboration with external institutes and Experts enhances soft skills and employability training.
13. Technology Integration: Facilities like projectors and computer labs are utilized to facilitate dynamic learning environments.
14. Infrastructural Augmentation and Maintenance: Facilities regarding Class rooms, Laboratory, ICT-enabled Class rooms, Toilets, Students Common Rooms are augmented and up-graded for the benefit of the students.
