## Students' Feedback Summary Report of 2019-2020

The feedback data of 2019-2020 was analysed meticulously by using statistical tools. Based on the feedback data, it was observed that there were certain areas where the institution/College performed well. Further, observed that in certain areas where improvement was needed in the interest of the College. The summary of the observation is provided below:

1. **Overall Academic Ambience:** The majority of students are satisfied, indicating a positive environment for learning.
2. **Facilities like Classroom, Laboratories:** More than 80% satisfaction suggests that these facilities meet or exceed students' expectations.
3. **Theoretical Classes, Syllabus Completion, and Teachers' Behaviour:** Overall satisfaction among students indicates effective teaching and a conducive learning environment.
4. **Service and Cooperation from Office:** Satisfactory feedback suggests efficient administrative support for students.
5. **Scholarship and Drinking Water Facilities:** High satisfaction levels in these areas indicate that the institution is meeting students' needs beyond academics.
6. **Extracurricular Facilities:** Moderate satisfaction implies potential for enhancement in extracurricular offerings.
7. **Library, Computer and Internet Facilities, Career Counselling:** Average ratings in these areas indicate room for improvement in technology and career support services.
8. **Games & Sports, Canteen, and Cleanliness:** Poor satisfaction levels suggest the need for attention to these aspects to enhance student experience.
9. **Overall Satisfaction about College:** While a significant portion rates the college as excellent or good, there's still a notable percentage rating it as average, indicating areas for improvement to enhance overall satisfaction.

Addressing areas of concern, such as sports facilities, canteen quality, and cleanliness, could contribute to a more positive overall student experience. Additionally, investing in technology infrastructure and career counselling services could further enhance student satisfaction and support their holistic development.
