

BAGNAN COLLEGE NSS REPORT

ORGANISED BY NSS UNIT- I, II, III

STUDENTS WEEK OBSERVATION

Date: 02-01-2023 to 07-01-2023

Time: 11 am onwards

Student Participated: 16+12+12

Teachers Participated: 15

The Students' Week was observed in a befitting manner at the college campus under the direction of the State Government from 02.01.2023 to 07.01.2023 in order to focus on awareness of the students regarding different beneficial schemes implemented by the State Government by facilitating and mobilizing beneficiaries for Student Credit Card Scheme, Swami Vivekananda Merit cum Means Scholarship, Aikyashree, Pre and Post Metric Scholarship. This initiative also helped students gain cognitive development, refine their creative skills and taught them competitive spirit through organizing quiz, drawing competition and other student friendly activities. On the other hand, the NSS volunteers on behalf of Bagnan College welcomed the school from nearby areas for exposure visit and interactions at the college campus and guided them throughout the college premises. The major focus of the school exposure visit was to enhance interaction between school students and the college student. It also helped the school student to gain awareness on different areas of studies and courses offered in the college which would guide them for future decision making. The school students experienced immense information through interactions from science Laboratories, library, medicinal garden, solar panel, vocational training and respective departments where they were patiently guided and assisted by NSS volunteers.
